Shawna – Thank you so much. This is exactly what I was looking for. I have another request concerning EPA's decision on GW in the subsequent RI that was performed by the City but I need to think about it longer so that I can give you better direction on the search. I'll be in touch.

Paula,

I am not sure this is the document you are looking for but it might be so I am attaching it. Please let me know if it is not what you are looking for and perhaps more search criteria. This is the closest I could find based on the information you sent. Hope this is it. Thank you!

Shawna – Can you look for a “No Further Action” letter that we would have issued – to City of Denver for the Globeville Landing Park. I think the letter was issued in April, 2003. Thank you.
